Report Cards Sent Home

Report cards are scheduled to be sent home with students Friday, January 17th. Please look for them in your child's bookbag. Also, please sign the report card envelope and return to the school by Wednesday, January 22nd. If you have any questions about your child's progress, please don't hesitate to contact your child's teacher or the Hillcrest office.

Strive For 5 Recognition

Hillcrest's newest recognition of students is called #STRIVEFOR5. This recognition highlights students that had perfect attendance for the 5 days during the week. One learner from each grade level that has had perfect attendance during the week is drawn to receive the award for that particular week. The learner's picture is posted on Hillcrest's Facebook page and their names are read on morning announcements.

Attending school regularly is so critical in order to receive maximum benefits from school!

Please help your child "strive" to attend school consistently!
