*** Boys and Girls Club will be closed today, Friday, January 24th**

*Camelot 5th grade students scored NUMBER ONE IN THE NATION on the FBI on-line surfing assessment. Today at 2:30, an FBI agent will be here to award our school with a national championship token. We are very proud of our 5th graders and teachers!!

*It is the time of year we are all inside and can be exposed to all kinds of illness, etc. Thanks for taking time to maintain the health of every child. In addition, this is the time students may exchange or mistake hats and it is possibly head lice season. Please stay vigilant in checking and the Brookings policy is attached.

**A few necessary meetings these past couple of weeks have given pause and much self-reflection...as caring humans..., all things deserve attention, but triage can assist not only our effectiveness and efficiency, but make the short time we have here on earth of the greatest worth...when we constantly are focused on the negative, we very much forget all of the very good things that are all around us, simply living in this country, this state, this city and this school is enough of an embarrassment of riches for me...so let's not be the front page of the paper or the lead stories on the news which trap us with tragedy and missteps, rather, let's be the bearers of good news and of the good hearts and souls of the 500 we care for...love and laugh more, lament less, live full.

*Loyal and willing servant to the Camelot and Brookings community - Kevin
Do the right thing, because it is the right thing to do*
