Free Breakfast & Lunch Meals Extended for the Remainder of the 2020-21 School Year

Breakfast and lunch meals became free to all enrolled students of the Brookings School District on Monday, September 21 and will now continue for the remainder of the 2020-21 school year.

Please note:

- Any family with a negative balance is still responsible for paying the balance.
- A la carte purchases are not included in the free meal offerings, therefore will be charged to the family account accordingly.
 - Milk is included in both a breakfast and lunch meal. A student will be charged \$0.45 for a milk in the following situations:
 - A second milk with a meal
 - Purchasing only a milk and not a full meal
 - Milk break at the elementary schools
- Any family with a balance of \$20 or less will continue to receive notifications, as a communication tool for those continuing to make purchases.
- To avoid receiving low balance notifications, a family may maintain a balance of \$20 or more in their account.
- All family balances do carry over to the next school year.
