

****Misuse of medications and overdoses have been increasing in Brookings. Please protect your family and others.****

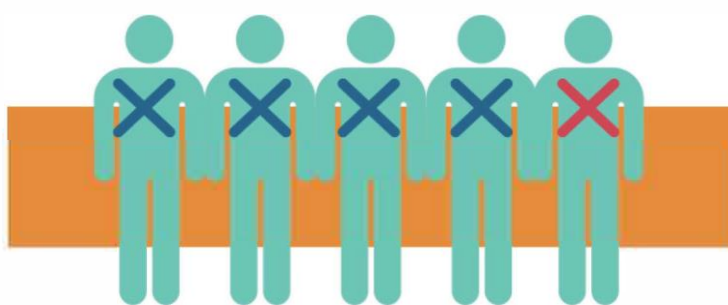

DON'T BE AN ACCIDENTAL DEALER

>50%

More than half of young adults who misuse prescription opioids got them from a friend or family member.

Opioids play a role in 1 in 5 deaths among young adults.

Lock up Prescription Medications

Use a lock box, locking bag, or cabinet lock to safeguard prescription medicine in the home. Call [1-800-920-4343](tel:1-800-920-4343) to request a free lock box.

Educate and Communicate

Talk with your kids about the risks of misusing and abusing drugs and alcohol, including prescription drugs.

Dispose of Medications Properly

Dispose of unused, unwanted, and expired prescription and over-the-counter meds at a local pharmacy or request a disposeRX Packet for home disposal call [1-800-920-4343](tel:1-800-920-4343)

Protect Your Loved Ones

If you know someone who may be misusing medications, please ask your pharmacist about Naloxone, an opioid overdose reversal medication, no prescription needed.
