

Parents of the upper Plains:

Parents of the Upper Plains:

**Conferences next week - 4:00-7:30 Tuesday and Thursday, 8:00-3:30 Friday(no school for students). Thanks in advance for being respectful of the schedule so every guardian is afforded time to talk with each teacher.

**"Successful Student Saturday" begins tomorrow, November 2nd. From 7:30-10:30 the library will be open at Camelot for any students wishing to have a quiet place and a computer if necessary for schoolwork. Students who may be a bit behind are invited and strongly encouraged to attend. However, any student and parent who believes they are behind or would like time to work can attend. The front doors will open at 7:15 and lock at 7:30 AM. If students volunteer to attend they may leave at any time. Students who have been invited will stay for the time prescribed. There will be two more sessions of Successful Student Saturday November 23rd and December 14th. If you are attending, please email the principal's office at kevin.lein@k12.sd.us.

**Parent/Principal meeting was held on Tuesday last week. Those who could be a part, thanks very much for your time and dialogue. The next Parent/Principal meeting will be December 16th at 5:45 in the commons.

**Fall Celebration and parade was a tremendous success. Not only were the student costumes well done and an enthusiastic symbol of the spirit of our learners, the respect showed to each other during the celebration was, as usual, supreme!! Thanks also to the parents that could attend, I know it meant much to the students!!

**Attached is an opportunity for free piano lessons from one of our staff members who would like to provide a service to the community.

***The quarter is over, a best that will only be bested by the next here at Camelot as that is the momentum and reality. Over 550 souls, responding to each other by helping, trying to exploit their talents to the fullest, expanding capacities to the limit for an homage to the gifts given. This labor is*

value enough, symbolized by the simplest of giant gestures, all day...unearned and unworthy...life at Camelot? Hugs and high fives, no better reward.

Willing subject and servant to the Camelot and Brookings community-Kevin

“Do the right thing, because it is the right thing to do.”
